

# State of the Coast (SOC18) - Poster Presentations

As of: 3/13/2018

First Name	Last Name	Organization	City	ST	Country	Abstract Title	Format
Danielle	Aguilar	Louisiana State University	Baton Rouge	LA	United States	FILLING A KNOWLEDGE GAP: USING OYSTER LADDERS TO UNDERSTAND THE IMPORTANCE OF INUNDATION DURATION IN SUCCESSFUL LIVING SHORELINES	Poster
Md Moynul	Ahsan	Ankara University	Ankara		Turkey	NATIONAL RESPONSES OF ENVIRONMENTALLY INDUCED DISPLACEMENT TO HURRICANE: A COMPARATIVE STUDY BETWEEN COASTAL AREA OF BANGLADESH AND LOUISIANA STATE COAST, USA	Poster
Md Moynul	Ahsan	Ankara University	Ankara		Turkey	NATIONAL RESPONSES OF ENVIRONMENTALLY INDUCED DISPLACEMENT TO RISING SEA LEVEL AND COASTAL EROSION: A COMPARATIVE STUDY BETWEEN COASTAL AREA OF BANGLADESH AND LOUISIANA, USA	Poster
MOHAMMAD MEHDI	ARMANDEI	Mississippi State University	Starkville	MS	United States	The Development of a Hydrodynamic/Water Quality Model for Oyster Restoration in the Western Mississippi Sound	Poster
Sanjana	Banerjee	University of Louisiana at Lafayette	Lafayette	LA	United States	IMPACT OF INVASIVE APPLE SNAILS POMACEA MACULATA ON BIOGEOCHEMICAL CYCLING OF METALS IN LOUISIANA WETLANDS	Poster
Matthew	Bilskie	Louisiana State University	Baton Rouge	LA	United States	MECHANISTICALLY DEFINING FLOOD ZONES ACROSS SOUTHEASTERN LOUISIANA	Poster
Suzana	Blake (Mic)	University of Miami	Key Biscayne	FL	United States	ECOSYSTEM MODELING WITH A FOCUS ON HUMAN WELLBEING OUTCOMES: A CASE STUDY OF THE MID-BARATARIA DIVERSION PROJECT.	Poster
Stanley	Boc	CDM Smith	Baton Rouge	LA	United States	A SUSTAINABLE APPROACH TO COASTAL RESILIENCE	Poster
Sarah	Bolinger	UL Lafayette, Audubon Louisiana	Lafayette	LA	United States	EFFECTS OF BEACH RENOURISHMENT ON NEST SURVIVAL OF LEAST TERNS IN SOUTHEAST LOUISIANA	Poster
Katie	Bowes	Louisiana State University	Baton Rouge	LA	United States	Sediment Phosphorus Speciation and Distribution in Coastal LA Sediments: Implications for Hypoxia and Food Web Dynamics	Poster
Brandon	Champagne	Louisiana State University	Youngsville	LA	United States	RESILIENCE IN CONTEXT: HOW CULTURE SHAPES AT-RISK COMMUNITIES	Poster
Yi	Chan	LSU Coastal Sustainability	Baton Rouge	LA	United States	Measuring Community Well-Being in the Face of Increased Flood Risks: A Case Study of the Baton Rouge, Louisiana Area	Poster
Zachary	Cobell	Arcadis	Broomfield	CO	United States	MODELING STORM SURGE SUPPRESSION IMPACTS IN GALVESTON BAY	Poster

# State of the Coast (SOC18) - Poster Presentations

As of: 3/13/2018

First Name	Last Name	Organization	City	ST	Country	Abstract Title	Format
Georganna	Collins	Ecology & Environment, Inc.	Houston	TX	United States	NATURAL AND NATURE_BASED FEATURES FOR COASTAL PROTECTION.	Poster
Frances	Crawford	University of New Orleans	New Orleans	LA	United States	Shell berms, shell berms what do I see: I see marsh-edge collapse looking at me	Poster
Sara	Crosby	The Ohio State University at Marion	Marion	OH	United States	How Vampires Ate South Louisiana or the Ecohorror Narratives Enabling Coastal Erosion	Poster
John	Day	Louisiana State University	Baton Rouge	LA	United States	MISSISSIPPI DELTA RESTORATION: SHIFTING BASELINES, DIMINISHING RESILIENCE AND GROWING NON-SUSTAINABILITY	Poster
Donald	Deis	Atkins	Jacksonville	FL	United States	ANALYSIS OF MARSH LOSS AND EROSION WITHIN NORTHERN BARATARIA BAY LOUISIANA: THE EFFECTS OF THE DEEPWATER HORIZON OIL SPILL	Poster
Julia Kumari	Drapkin	ISeeChange	New Orleans	LA	United States	ISEECHANGE URBAN FLOODING AND HEAT INVESTIGATIONS	Poster
Elizabeth	English	University of Waterloo	Cambridge	ON	Canada	Amphibious Retrofit Loss Avoidance Study for Interlake First Nations in Central Manitoba	Poster
Elizabeth	English	University of Waterloo	Cambridge	ON	Canada	AN INNOVATIVE CLIMATE CHANGE ADAPTATION STRATEGY FOR FLOOD RESILIENCE AND THE PROTECTION OF CULTURAL HERITAGE	Poster
Elizabeth	English	University of Waterloo	Cambridge	ON	Canada	Wasted Water: The Anthropogenic Relationship Between Humans to Waste and Water Systems	Poster
Scott	Eustis	Gulf Restoration Network	New Orleans	LA	United States	CONTOUR MULTI-PACKING POTENTIAL FOR ABANDONED MINES ON THE AMITE AND TANGIPAHOA RIVERS	Poster
Amanda	Fontenot	Louisiana State University	Baton Rouge	LA	United States	FATE OF SOIL CARBON IN LOUISIANA'S ERODING COASTAL WETLANDS IN BARATARIA BAY	Poster
Beth	Forrest	APTIM	Boca Raton	FL	United States	LOUISIANA SEDIMENT AVAILABILITY AND ALLOCATION PROGRAM (LASAAP) - A PLANNING TOOL FOR MANAGING SEDIMENT FOR RESTORATION	Poster
Donnie	Garrison	Shell Pipeline Co.	Gibson	LA	United States	SHELL PIPELINE USES NATURAL INFRASTRUCTURE SOLUTIONS TO PROTECT SHIP SHOAL PIPELINE AND IMPROVE THE NEARBY COASTAL ECOSYSTEM	Poster

# State of the Coast (SOC18) - Poster Presentations

As of: 3/13/2018

First Name	Last Name	Organization	City	ST	Country	Abstract Title	Format
Meg	Goecker	Moffatt & Nichol	Mobile	AL	United States	ENSURING LIVING SHORELINES FOR THE LONG-TERM THROUGH MODELING AND MAINTENANCE: AN ALABAMA DESIGN EXAMPLE	Poster
Rebecca	Green	USDOJ, Bureau of Ocean Energy Management (BOEM)	New Orleans	LA	United States	OFFSHORE RENEWABLE ENERGY PLANNING INFORMED BY APPLIED SCIENCE RESEARCH IN THE GULF OF MEXICO	Poster
Rebecca	Green	USDOJ, Bureau of Ocean Energy Management (BOEM)	New Orleans	LA	United States	Offshore Wind Energy: The Federal Process from Start to Finish	Poster
Charles	Groat	Louisiana Geological Survey	Baton Rouge	LA	United States	LOUISIANA COASTAL GEOHAZARDS ATLAS – POSTER SESSION	Poster
Emad	Habib	University of Louisiana at Lafayette	Lafayette	LA	United States	Analysis of IMPACT OF SALINITY ON WATER SUPPLY STRESS: IMPLICATIONS AND POTENTIAL SOLUTIONS FOR LOUISIANA FRESHWATER AND COASTAL SYSTEMS	Poster
Emad	Habib	University of Louisiana at Lafayette	Lafayette	LA	United States	THE IMPACT OF UPLAND EXTREME RAIN EVENTS ON COASTAL MARSH SYSTEMS: A CASE STUDY FROM THE LOUISIANA CHENIER PLAIN	Poster
Sahar	Haddadian	Louisiana State University	Baton Rouge	LA	United States	NUMERICAL MODELING OF SEDIMENT TRANSPORT DUE TO ALONGSHORE CURRENT-SUPPORTED TURBIDITY CURRENTS OVER AN ERODIBLE BED	Poster
Parker	Hamilton	Jean Lafitte National Historic Park & Preserve	New Orleans	LA	United States	Hydrologic Response to Weather Events in the Freshwater Coastal Wetlands of the Barataria Preserve	Poster
Kevin	Hanegan	Department of Earth and Environmental Sciences	New Orleans	LA	United States	MAXIMIZING DIVERSION LAND-BUILDING WITH ENHANCED SEDIMENT SUPPLY	Poster
Ali	Heidarizhaleh	Louisiana State University	Baton Rouge	LA	United States	NUMERICAL INVESTIGATION OF THE IMPACT OF DISTORTION ON THE HYDRODYNAMICS IN THE LOWER MISSISSIPPI RIVER PHYSICAL MODEL (LMRPM)	Poster
Shandy	Heil	LSU AgCenter	Baton Rouge	LA	United States	Repairing the Homes that “Weren’t Supposed to Flood”: Flood-Hardy Restoration for Code Compliant Structures	Poster
Paul	Heinrich	Louisiana Geological Survey	Baton Rouge	LA	United States	UNDERAPPRECIATED COLLATERAL EFFECTS OF GULF OF MEXICO SEA LEVEL RISE.	Poster
John	Herbert	Tulane University	New Orleans	LA	United States	Does habitat configuration in the northern Gulf of Mexico affect habitat use and stopover rates for a declining migratory shorebird during spring migration?	Poster

## State of the Coast (SOC18) - Poster Presentations

As of: 3/13/2018

First Name	Last Name	Organization	City	ST	Country	Abstract Title	Format
Mauricio	Hooper De Leon	Louisiana State University	Baton Rouge	LA	United States	Investigation of Incipient Motion and Subaqueous Dune Formation of a Lightweight Physical Model Sediment	Poster
Andrea	Jaegge	The University of Louisiana at Lafayette	LAFAYETTE	LA	United States	Quantifying environmental controls on phytoplankton community dynamics in Louisiana coastal estuaries	Poster
Navid	Jafari	Louisiana State University	Baton Rouge	LA	United States	GEOTECHNICAL CHARACTERIZATION OF WETLANDS USING PIEZOCONE PENETROMETER TESTS	Poster
Navid	Jafari	Louisiana State University	Baton Rouge	LA	United States	3-D Geological Stratigraphy of Coastal Louisiana using Subsurface Borings and Cone Penetrometer Tests	Poster
Krista	Jankowski	CPRA/National Academies of Science	Baton Rouge	LA	United States	CHARACTERIZING THE HUMAN DIMENSION OF COASTAL CHANGE WITHIN THE SYSTEM-WIDE ASSESSMENT AND MONITORING PROGRAM (SWAMP)	Poster
Molly	Keogh	Tulane University	New Orleans	LA	United States	Does measuring present-day relative sea-level change in low-elevation coastal zones need rethinking?	Poster
John	Kiefer	Amec Foster Wheeler	Lakeland	FL	United States	Reimagining the Urban Drainage Canal - Case Studies from the South	Poster
Brittany	Kime	University of New Orleans	New Orleans	LA	United States	GEOMORPHIC EVALUATION OF BARRIER ISLAND SEDIMENT RESTORATIONS	Poster
Kellyn	LaCour-Conant	Nicholls State University	Thibodaux	LA	United States	VEGETATIVE PROPAGATION, S-RNase SEQUENCING, AND MORPHOLOGICAL PROFILING OF LYCIUM CAROLINIANUM POPULATIONS IN COASTAL LOUISIANA	Poster
Shira	Landman	Shira E Studio	New Orleans	LA	United States	Wall Of Dreams - Dreams Of Walls	Poster
Shirley	Laska	Lowlander Center	New Orleans	LA	United States	Louisiana's Response to Extreme Weather	Poster
Viet	Le	University of New Orleans	New Orleans	LA	United States	Development of an engineering model to evaluate Marsh Creation in coastal Louisiana	Poster
Paul	Leberg	University of Louisiana at Lafayette	Lafayette	LA	United States	INVESTINGATING THE INFLUENCE OF RESTORATION PRACTICES ON PELICAN USE OF COASTAL ISLANDS	Poster

# State of the Coast (SOC18) - Poster Presentations

As of: 3/13/2018

First Name	Last Name	Organization	City	ST	Country	Abstract Title	Format
Madeline	LeBlanc	Louisiana State University	Baton Rouge	LA	United States	Identification of Carbon and Nitrogen Hot Spots in Fourleague Bay Along a Salinity and Sediment Gradient	Poster
An	Li	Louisiana State University	Baton Rouge	LA	United States	Interactions between groundwater and Mississippi River in the Mississippi River Delta Plain	Poster
Guandong	Li	Louisiana State University	Baton Rouge	LA	United States	HYDRODYNAMICS AND SEDIMENT DYNAMICS IN BRETON SOUND OF LOUISIANA AND THEIR INTERACTION WITH SEDIMENT DIVERSION	Poster
Jordan	Logarbo	LUMCON	Chauvin	LA	United States	Incorporating <i>Geukensia granosissima</i> into living shoreline restoration in <i>Spartina alterniflora</i> dominated Louisiana salt marshes	Poster
Betsy	Lopez	Tulane University	New Orleans	LA	United States	The Role of Perception in Anthropogenic and Natural Disaster Preparedness	Poster
Michael	Lowiec	APTIM	Boca Raton	FL	United States	BATHYMETRIC AND GEOPHYSICAL DATA COLLECTION WITHIN THE BARATARIA BASIN, LAKE PONTCHARTRAIN, LAKE BORGNE AND CHANDELEUR SOUND	Poster
Darian	Madere	Louisiana State University	Baton Rouge	LA	United States	CHANGES IN BACTERIAL ABUNDANCE UNDER SEASONAL NUTRIENT VARIATIONS AND RELATIONSHIPS WITH PHYTOPLANKTON BIOMASS	Poster
Laura	Mansfield	National Academy of Sciences	New Orleans	LA	United States	ASSESSING THE RISK TO OIL AND GAS INFRASTRUCTURE IN THE MISSISSIPPI DELTA MUDSLIDE ZONE.	Poster
Giulio	Mariotti	Louisiana State University	Baton Rouge	LA	United States	How does mud supply control the large scale horizontal retreat of salt marshes?	Poster
Luis	Maristany	Mott MacDonald	Austin	TX	United States	La Quinta Terminal Mitigation Project: Large-Scale Estuarine Habitat Creation in Corpus Christi Bay, TX	Poster
Shannon	Martin	University of Miami	Baton Rouge	LA	United States	SELECTING ECOLOGICAL INDICATORS FOR AN ECOSYSTEM ASSESSMENT OF BARATARIA BASIN	Poster
Karen	McCormick	EPA Region 6	Dallas	TX	United States	GREEN INFRASTRUCTURE AND COASTAL RESTORATION: AN OVERVIEW OF TOOLS, REFERENCES AND CASE STUDIES	Poster
Elizabeth	McDade	The Culpepper Group, LLC	New Orleans	LA	United States	UNDERSTANDING THE INFLUENCE OF SUBSURFACE GEOLOGICAL FAULTING ON INFRASTRUCTURE, SOUTHEAST LOUISIANA	Poster

# State of the Coast (SOC18) - Poster Presentations

As of: 3/13/2018

First Name	Last Name	Organization	City	ST	Country	Abstract Title	Format
Marty	McHugh	RES	Sea Girt	NJ	United States	RESTORATION FOR RESILIENCY ON THE EAST COAST: SUPERSTORM SANDY CASE STUDY	Poster
Earl	Melancon	Louisiana State University	Baton Rouge	LA	United States	LESSONS LEARNED FROM AN EXPERIMENTAL OYSTERBREAK ALONG A GULF OF MEXICO SHORELINE	Poster
Nuri	Melancon	Tulane University	New Orleans	LA	United States	Mineral and Organic Accumulation Rates of a Myrtle Grove Wetland in the Mid-Barataria Bay Diversion Receiving Area	Poster
Ed	Morgereth	Biohabitats, Inc.	Baltimore	MD	United States	Coastal Green Infrastructure Opportunities for Urban Communities	Poster
Joost	Morsink	SEARCH, Inc.	New Orleans	LA	United States	THE PISTON CORER: A NEW TOOL FOR CULTURAL RESOURCES SURVEY IN NEARSHORE ENVIRONMENTS	Poster
Lindsay	Nakashima	Audubon Louisiana National Audubon Society	Baton Rouge	LA	United States	Geostatistical Identification Of Potential Hot Spots In Tidal Marsh Deterioration	Poster
Timothy	Nelson	University of New Orleans	New Orleans	LA	United States	Hydrodynamic Controls on the Morphodynamic Evolution of Subaqueous Landforms	Poster
John	Nicklow	University of New Orleans	New Orleans	LA	United States	MEETING EDUCATION NEEDS IN COASTAL ENGINEERING AND SCIENCE	Poster
Sunantana	Nuanla-or	Louisiana State University	Baton Rouge	LA	United States	NEW ORLEANS' JOIE DE VIVRE The Joy of living in New Orleans	Poster
John	Nyman	Louisiana State University Agricultural Center	Baton Rouge	LA	United States	HOW HIGH SHOULD CREATED WETLANDS BE BUILT?	Poster
Tyler	Ortego	ORA Technologies	Metairie	LA	United States	Let the Oysters Do the Work: A Proposal for Creating Truly Biogenic Structures for Resilience and Restoration	Poster
Mrunmayee	Pathare	University of Louisiana at Lafayette	Lafayette	LA	United States	Trophic interactions between microzooplankton and phytoplankton in the Atchafalaya Vermilion Bay	Poster
Ali Reza	Payandeh	Louisiana State University	BR	LA	United States	ASSESSING THE EFFECTS OF COLD FRONTS ON HYDRODYNAMIC CHARACTERISTICS AND TEMPERATURE SALINITY PATTERNS IN BARATARIA BAY	Poster

# State of the Coast (SOC18) - Poster Presentations

As of: 3/13/2018

First Name	Last Name	Organization	City	ST	Country	Abstract Title	Format
Matthew	Petty	CDM Smith	Columbus	OH	United States	From Trash to Treasure: Converting a Municipal Landfill into an Ecological Gem and Recreational Destination	Poster
Daniel	Pingel	USDA NRCS	Galliano	LA	United States	WOODY PLANT SELECTION FOR COASTAL MARITIME RIDGE RESTORATION AND REVEGETATION	Poster
Michael	Poirrier	University of New Orleans	New Orleans	LA	United States	Benthic Invertebrate Ecozones of the Caernarvon/Breton Sound Estuarine System of the Pontchartrain Basin	Poster
Laura	Rack	Jean Lafitte National Historical Park and Preserve	New Orleans	LA	United States	THE BARATARIA ELEVATION-HYDROLOGY ARRAY: A LANDSCAPE SCALE TOOL FOR SCIENTIFIC UNDERSTANDING AND RESOURCE MANAGEMENT	Poster
Jeremy	Reiman	Louisiana State University	Baton Rouge	LA	United States	A Recent Update in Carbon Transport: The Mississippi-Atchafalaya River System	Poster
Dustin	Reuther	Tulane University	New Orleans	LA	United States	Restoring Locality: An Anthropological Perspective of the Communities of Lower Terrebonne Parish and Environmental Restoration	Poster
CURT	RICHE'	USDA-NRCS	GALLIANO	LA	United States	EVALUATION OF LOUISIANA ECOTYPES OF SALTGRASS FOR SELECTION AND USE IN SALT MARSHES OF THE COASTAL ZONE OF LOUISIANA	Poster
Brittany	Roberts	University of New Orleans	New Orleans	LA	United States	Effects of Organic Matter on Settling Characteristics of fine grained Sediments of Coastal Louisiana	Poster
Alma	Robichaux	BTNEP	Thibodaux	LA	United States	Marine Debris Education and Prevention Program	Poster
Jeremiah	Robinson	Louisiana State University	Baton Rouge	LA	United States	INFERRING CAUSES OF MARSH LOSS FROM SPATIAL PATTERNS OF MARSH CHANNEL WIDENING	Poster
Gaurav	Savant	Dynamic Solutions LLC	Vicksburg	MS	United States	MASS CONSERVATIVE MULTIDIMENSIONAL BAROCLINIC HYDRODYNAMICS AND SEDIMENT TRANSPORT MODEL FOR RIVERINE, ESTUARINE, WETLAND AND OCEAN CIRCULATION	Poster
Ronald	Scheuermann	Louisiana State University	Chauvin	LA	United States	SPATIAL AND TEMPORAL VARIABILITY IN MACROBENTHIC EPIFAUNAL ABUNDANCE AND DIVERSITY IN SPARTINA ALTERNIFLORA MARSHES	Poster
Laith	Shamaileh	University of New Orleans	Metairie	LA	United States	RESUSPENSION CHARACTERISTICS AND CRITICAL SHEAR STRESS OF FINE GRAINED SEDIMENTS USED IN LOUISIANA COSTAL RESTORATION PROJECTS	Poster

# State of the Coast (SOC18) - Poster Presentations

As of: 3/13/2018

First Name	Last Name	Organization	City	ST	Country	Abstract Title	Format
Samendra	Sherchan	Tulane University	New Orleans	LA	United States	BUILDING A CITIZEN SCIENCE PROGRAM FOR WATER QUALITY MONITORING IN NEW ORLEANS EAST	Poster
Alina	Spera	Louisiana State University	Baton Rouge	LA	United States	EFFECT OF HYDROLOGIC RESTORATION ON COASTAL LOUISIANA FRESHWATER WETLAND SOIL PROPERTIES AND RESILIENCY	Poster
Sabrina	Tabassum-Tackett	University of Louisiana at Lafayette	Lafayette	LA	United States	Heavy Metal Tolerance in Three Marine Phytoplankton Species: Effects of Cadmium Bioaccumulation on Algal Biomolecules and Processes	Poster
Patricia	Taylor	EPA Region 6	Dallas	TX	United States	USING MISSISSIPPI RIVER SEDIMENT: THE SUCCESS OF THE BAYOU DUPONT PROJECTS	Poster
Garret	Thomassie	USDA – Natural Resources Conservation Service	Galliano	LA	United States	NATIVE PLANT SOLUTIONS FOR COASTAL RESTORATION ALONG THE GULF COAST	Poster
Chris	Thornton	Colorado State University	Fort Collins	CO	United States	ADVANCEMENTS IN THE DESIGN OF ARTICULATING CONCRETE BLOCK	Poster
Julie	Torres	University of New Orleans	New Orleans	LA	United States	Barrier Island Shallow Subsurface Stratigraphy and Its Role In The Relative Stability Of Grand Isle, La	Poster
Clay	Tucker	Louisiana State University	Baton Rouge	LA	United States	TREE RINGS AS INDICATORS OF COASTAL CHANGE AND INLAND MARITIME RESTORATION	Poster
Chandra Mouli	Tummala	Louisiana Tech University	Ruston	LA	United States	APPLICATION OF ELECTRO-KINETIC BARRIERS AGAINST SALTWATER INTRUSION	Poster
Jessica	Vaccare	Louisiana State University	Baton Rouge	LA	United States	The impacts of Corexit EC9500A on wetland microbial activity and community structure in Barataria Bay, LA., USA	Poster
Augusto	Villalon	Freese & Nichols	Austin	TX	United States	CASE STUDY OF HISTORICAL APPROACH TO FRESHWATER INFLOW NEEDS IN TEXAS	Poster
Jenneke	Visser	University of Louisiana at Lafayette	Lafayette	LA	United States	CREATION OF A WETLAND RESEARCH FACILITY AT CADE, LOUISIANA	Poster
Robert	Wagner	Amec Foster Wheeler	Jacksonville	FL	United States	SYSTEMATIC LARGE-SCALE ENVIRONMENTAL RESTORATION OF ORGANIC MUCK IMPAIRED WATERWAYS - A CASE STUDY	Poster

## State of the Coast (SOC18) - Poster Presentations

As of: 3/13/2018

First Name	Last Name	Organization	City	ST	Country	Abstract Title	Format
Ryan	Waldron	Neel-Schaffer inc.	New Orleans	LA	United States	ANALYSIS & DESIGN OF A NATURE-BASED SHORELINE RESTORATION ALONG MOBILE BAY, ALABAMA	Poster
Bo	Wang	Louisiana State University	Baton Rouge	LA	United States	CHANNEL SEDIMENT ACCUMULATION IN A HIGHLY ENGINEERED ALLUVIAL RIVER, THE LOWER MISSISSIPPI RIVER	Poster
Karen	Westphal	National Audubon Society	Baton Rouge	LA	United States	AUDUBON LOUISIANA'S MARSH CREATION BY SMALL DREDGE DEMONSTRATION AND COMPARISON PROJECT	Poster
Jeanne	Wiser	Buoyant Foundation Project	New Orleans	LA	United States	Retrofitting Princeville, North Carolina: Culturally-Responsive Buoyant Flood Mitigation and Displacement Prevention.	Poster
Cameron	Wobus	Abt Associates Boulder	Boulder	CO	United States	REFINING ESTIMATES OF OILED MARSH SHORELINE LENGTH FROM THE DEEPWATER HORIZON SPILL	Poster
Qihui	Wu	Louisiana State University	Baton Rouge	LA	United States	SEDIMENT PRESERVATION AND REDISTRIBUTION OF MISSISSIPPI RIVER DISTRIBUTARIES AND THEIR IMPLICATION TO COASTAL RESTORATION	Poster
Mirka	Zapletal	University of Louisiana at Lafayette	Lafayette	LA	United States	Carnivore Diet on Louisiana Barrier Beaches	Poster
