WOMEN'S COASTAL LEADERSHIP BREAKFAST

ERNEST N. MORIAL CONVENTION CENTER · NEW ORLEANS, LA · JUNE 1, 2018

Each year more and more women become involved in Louisiana's coastal issues. From elected officials, academics, engineers, public agencies to private firms and community organizers, women are playing prominent roles in all aspects of our land loss crisis.

SOC18's Women's Coastal Leadership Breakfast recognizes the dedication, innovation and leadership of these women while providing inspiration and networking opportunities for women in the field.

Become a Sponsor the **SOC18** Women's Coastal Leadership Breakfast.

SOC18 is the largest state-wide conference of its kind providing an interdisciplinary forum to exchange timely and relevant information on the dynamic conditions of Louisiana's coastal communities, environment, and economy.

SOC18 will consist of two and a half days of presentations by leading experts in concurrent sessions, keynote presentations, poster sessions, and networking opportunities. More than 1,000 scientists, landowners/managers, federal and state agency personnel, local officials, industry and business leaders, resource users, and interested citizens will be in attendance at the 5th iteration of this biennial conference.
